

Accreditation Journey

BPHC successfully submitted the complete application to the Public Health Accreditation Board (PHAB) on April 7th and is actively planning for a site visit later this year! Over 800 unique documents including organization wide Quality Improvement Plan, Performance Management System, Workforce Development Plan etc. were included in the application.

Picture: Osagie Ebekozien (Director, Office of Accreditation and Quality Improvement) and Monica Valdes Lupi, (BPHC Executive Director) submitting the application.
