Hello, if you're looking for a smoking hot 100% real me... you found me

There was a time I ran ads like this. I know first hand how poverty traps women in a life of constant violence. The day my life was threatened, I escaped to a woman's shelter. Today I run a program for women who are in the same situation I was in. I show them that they have options. - **Cherie Jimenez, Founder and Director, Kim's Project, Boston**

available for discreet encounters with gentlemen who want to... of the best

I'm 15 years old. Men pay me for sex. I only do this so I can make enough money to live. Me and my stepdad fought all the time so I ran away from home. Now some of the men who buy me beat me up, but there's nowhere else to run. I'm trapped. I can't get out of this life. - **"Rick," Age 15**

Sultry, Amazing, Gorgeous, Desirable... and so so... tible! Trust

I'm the "sweetheart" who placed this ad. I'm an undercover detective and I arrest johns who respond to these ads. These guys meet girls in nice hotel rooms. They never see the poverty, the pimps, and the beatings the girls get when they don't meet their quotas. Men who pay for sex support this criminal enterprise. It's that simple. - **"Jasmine," Undercover Detective, Boston Police Department**
