Office of Health Equity: Health Equity Advisory Committee

Margaret Reid, Director, Office of Heath Equity, BPHC
Boston Board of Health Presentation
October 11, 2017
Three Strategic Priorities

1. Improve treatment and prevention of substance abuse
2. Strengthen the partnership between BPHC and the healthcare community to improve population health
3. Advance health equity
Community Engagement Plan

- Inform
- Consult
- Collaborate
- Transfer Decision-Making
- Community Driven & Led
Health Equity Advisory Committee
Members

10 residents representative of Boston’s ethnically and culturally diverse populations, with various economic, educational, age, gender, and neighborhood experiences.
Role of Health Equity Advisory Committee:

Bring resident and community perspective to BPHC by advising on:

- the implementation and tracking of BPHC Strategic Plan
- the implementation and tracking of BPHC Community Engagement Plan
- how best to communicate data to support data-driven decision-making
- the development of new strategic and community engagement plans
