

REACH

Hypertension Initiative

Learning Collaborative

**BOSTON
PUBLIC
HEALTH
COMMISSION**

The Boston Public Health Commission (BPHC) invites community health centers and organizations to participate in Boston REACH Hypertension Learning Collaborative. REACH Grantees are required to have 3 staff champions attend the learning sessions highlighted in blue below. Staff champions include but are not limited to the following: physicians, nurse practitioners, nurses, nutritionists, social workers, and case managers, who work directly with patients.
