Dear South End Fitness Center Members and Partnering Agencies,

We're very excited to announce the reopening of South End Fitness Center on Wednesday, August 12 at 6:00 a.m. We have appreciated all of the members who were affected by the October 8<sup>th</sup> closure and thank you for your patience and understanding!

Going forward, SEFC members can enjoy daily-use rental lockers, as well as validated parking at the garage, with the first two hours complimentary. Members whose contracts were affected by the closure and who have not already requested refunds will have their memberships extended for the amount of days that were missed. See an SEFC staff member for additional information.

Swimmers will be happy to hear that Mayor Walsh is providing financial support for improvements to the SEFC pool. Once the work commences, the pool will close for repairs; we'll be sure to keep you notified of its closing (and estimated reopening) well in advance.

Again: the BPHC, SEFC and its staff thank you for your patience and understanding as we work to improve our facilities so that all can benefit. If you have questions, visit [BPHC.org](http://BPHC.org), or call the SEFC directly at (617) 534-5822. We look forward to seeing you soon.

Sincerely,
