

# Engagement, Education, Resources, and Empowerment: The Essential Role of Community Health Workers in Addressing the Opioid Epidemic Webinar 1

Subject Matter Expert:

Dr. Robert Roose,  
Chief,  
Addiction Medicine &  
Recovery Services,  
Trinity Health Of New  
England

**Part I of a webinar series providing effective strategies for addressing the opioid epidemic which focuses on prevention, intervention, and treatment of opioid use disorder – and supporting individuals in recovery.**

Part I of this two part webinar series will provide:

- An overview of the opioid epidemic, both at a federal and state-level, focusing on origins and trends related to opioid use disorder and opioid overdose.
- Discussion of the impact of the opioid epidemic on communities and special populations, including any emerging health disparities.
- Education on how opioid use disorder can affect other health and social conditions.
